Appeal against Order of Registrar

Appeal No. : SCTRA/5039/2021
Claim No. : SCT/16848/2021
Order No. : SCT/ORD/35873/2021

Grounds of Appeal

AR Low's decision is based on that my claim is in the jurisdiction of (a) MAS; (b) FIDReC; or (c) an unspecified body to review the 'veracity' of the alleged court order uploaded by the Respondent. However: (d) my claim is in SCT jurisdiction per Section 5(1-3) of the SCT Act; (e) I was not advised accordingly per Section 17(3) of the same; and (f) documents uploaded by the Respondent cannot be authentic for many reasons starting with the fact that 2 parties in HC/S 413/2021 are unrepresented.
