LOVE IS HATE

WAR IS PEACE

SLAVERY IS FREEDOM

Amos and the Sons

WE ARE A PHILANTHROPIC SOCIETY...

...who are not in society

...who eat children, and rape girls and boys

1841

James M. Smith

...and care for only ourselves.

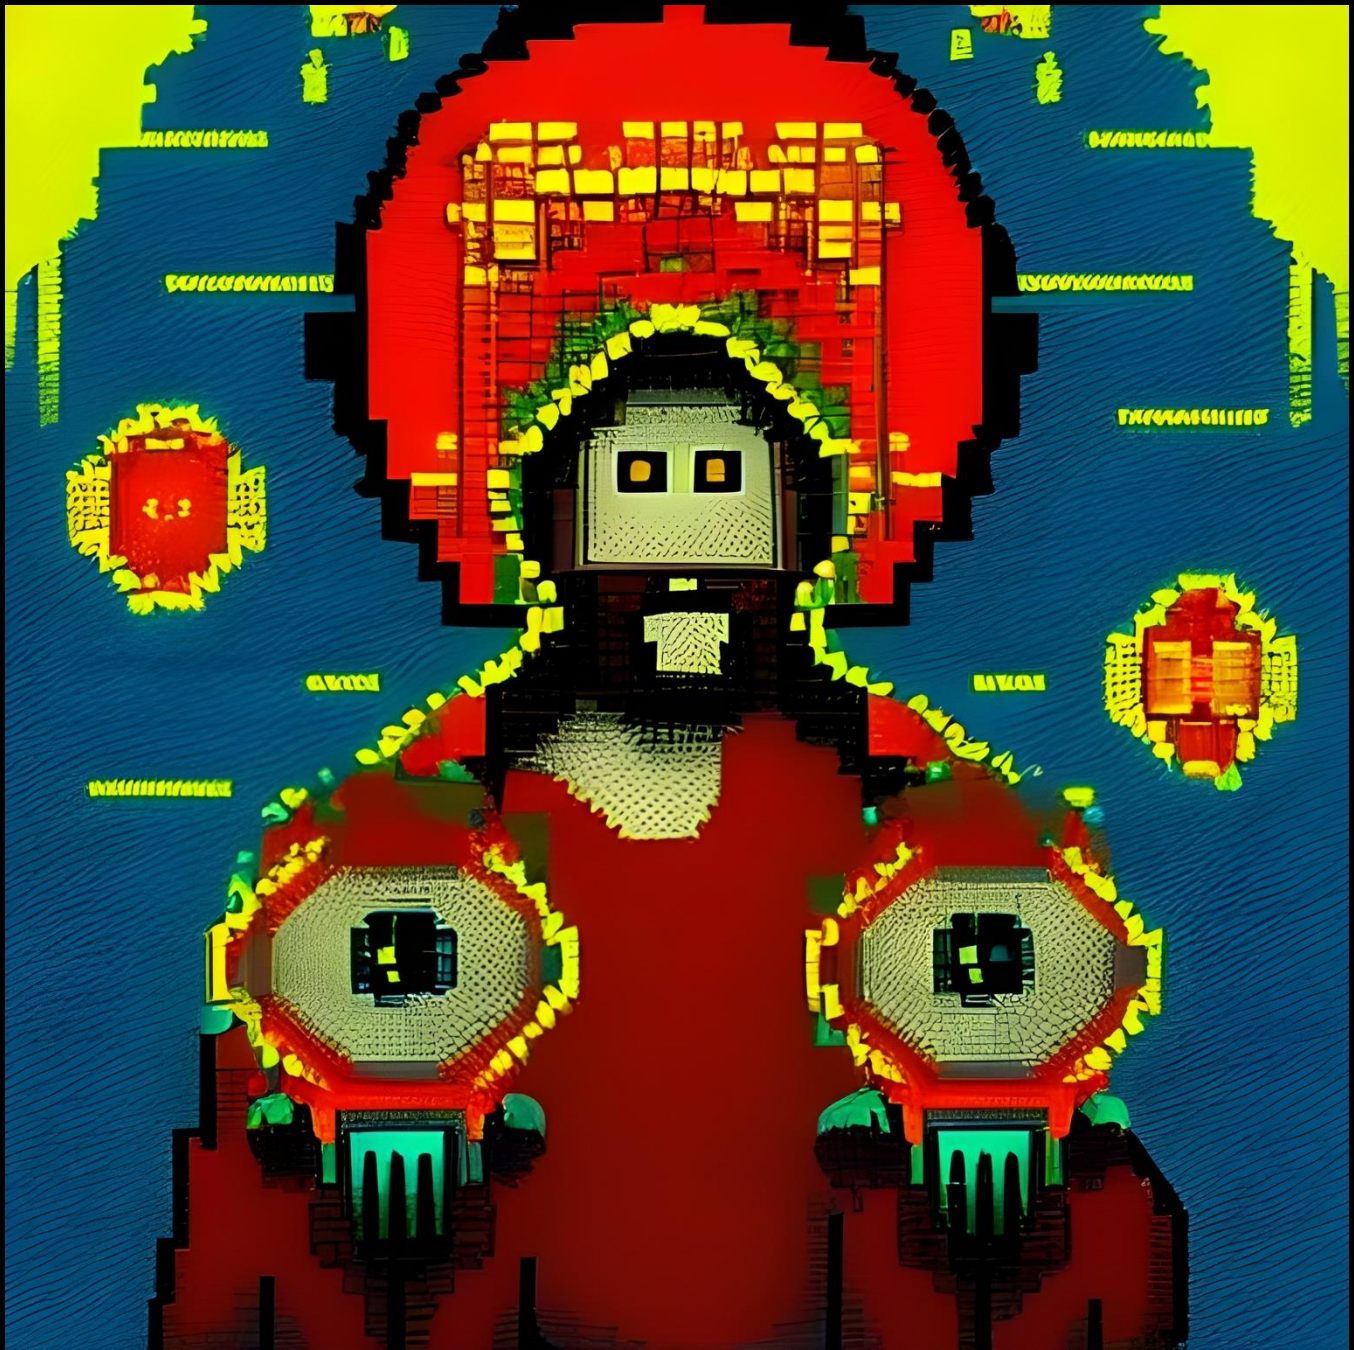

WE ARE A CHURCH FOR A FORGIVING GOD...

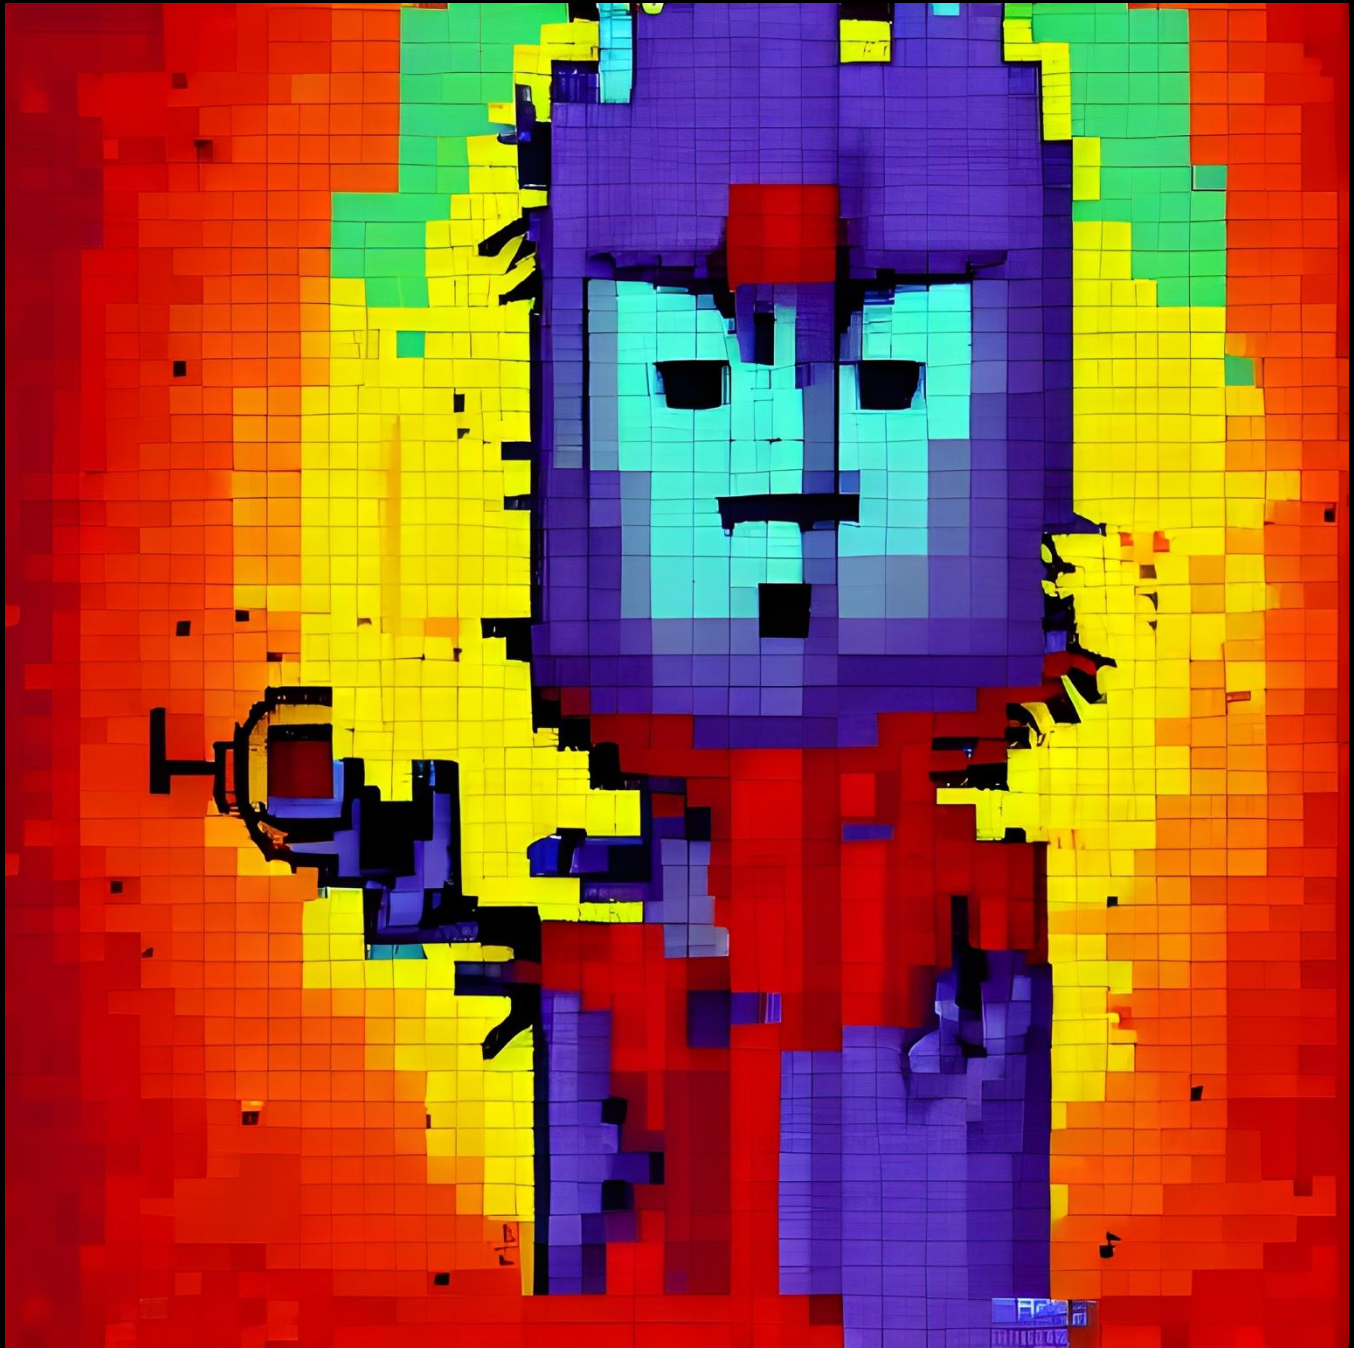

...who worship cruel entities

...who slaughter and rape children

WE ARE A BROTHERHOOD OF PIOUS BELIEVERS...

...who worship bloody entities

...who feed wealth with the blood of our children

...who enslave our mothers.

WE ARE ENLIGHTENED PEACE LOVERS...

...who extort our ignorant followers

...who sell our children for violent sacrifice

...who spread falsities to make war.

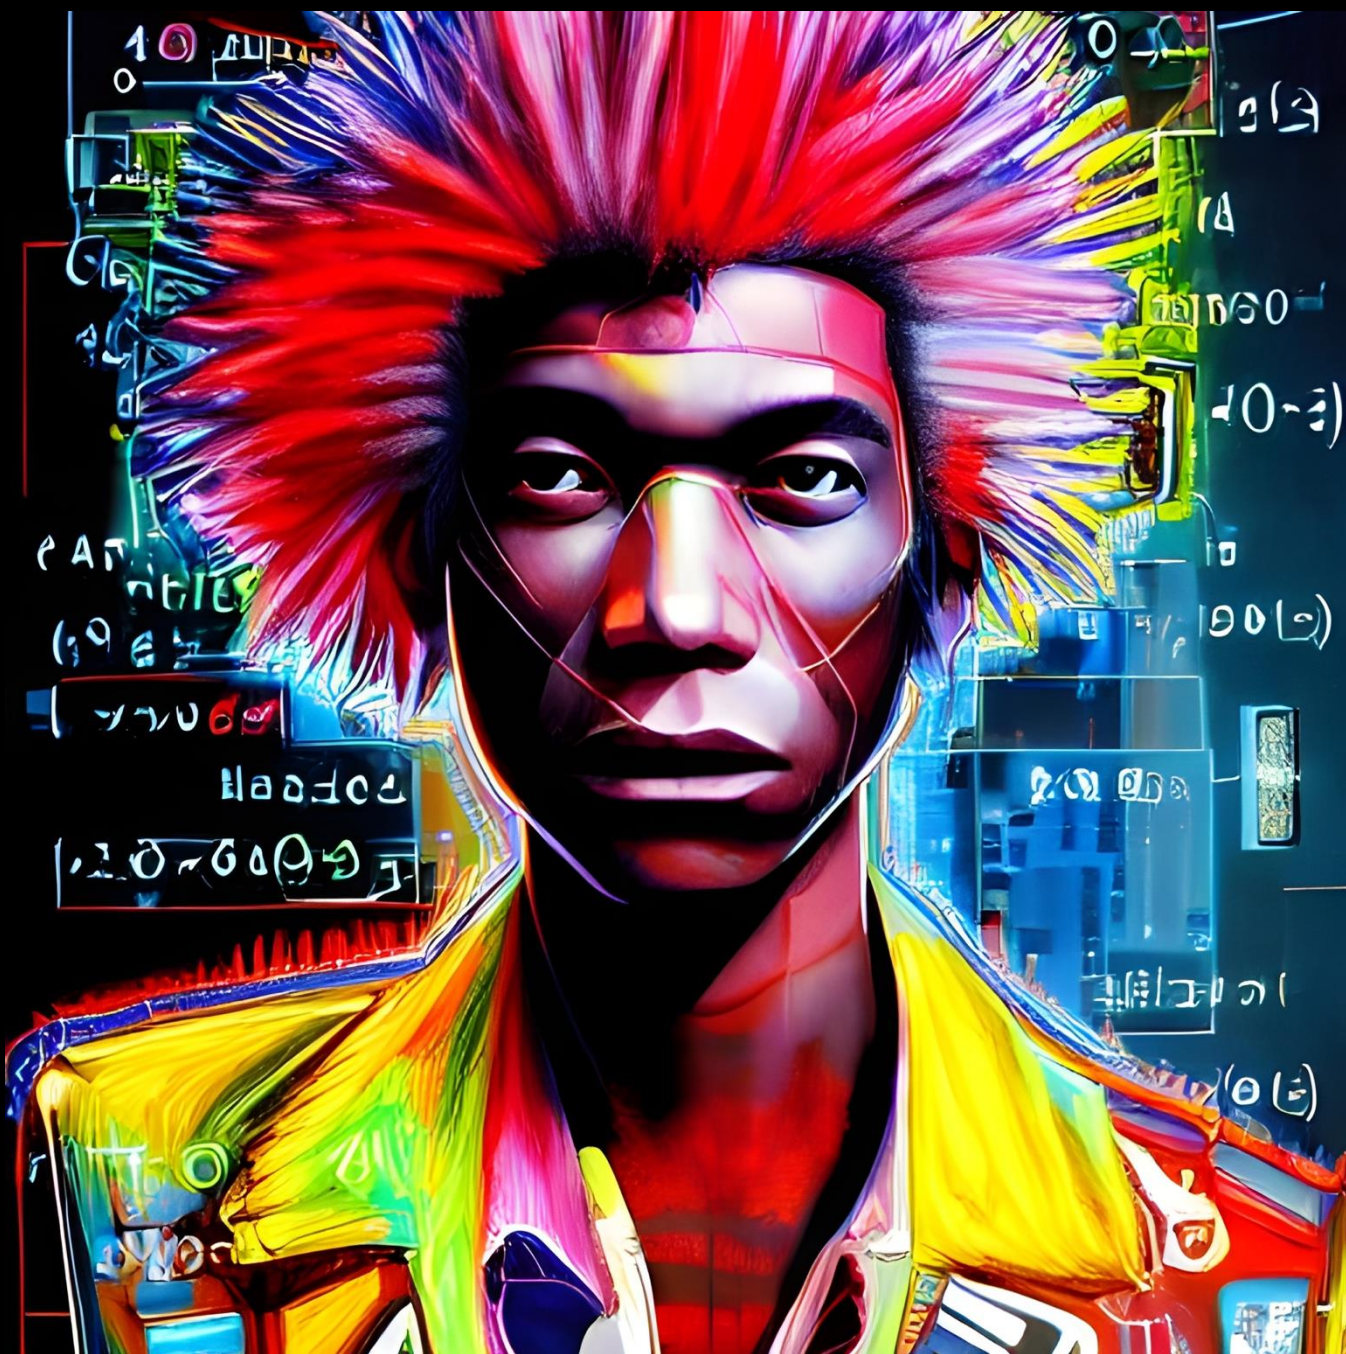

WE ARE THE POLICE: WE SERVE AND PROTECT...

...criminals

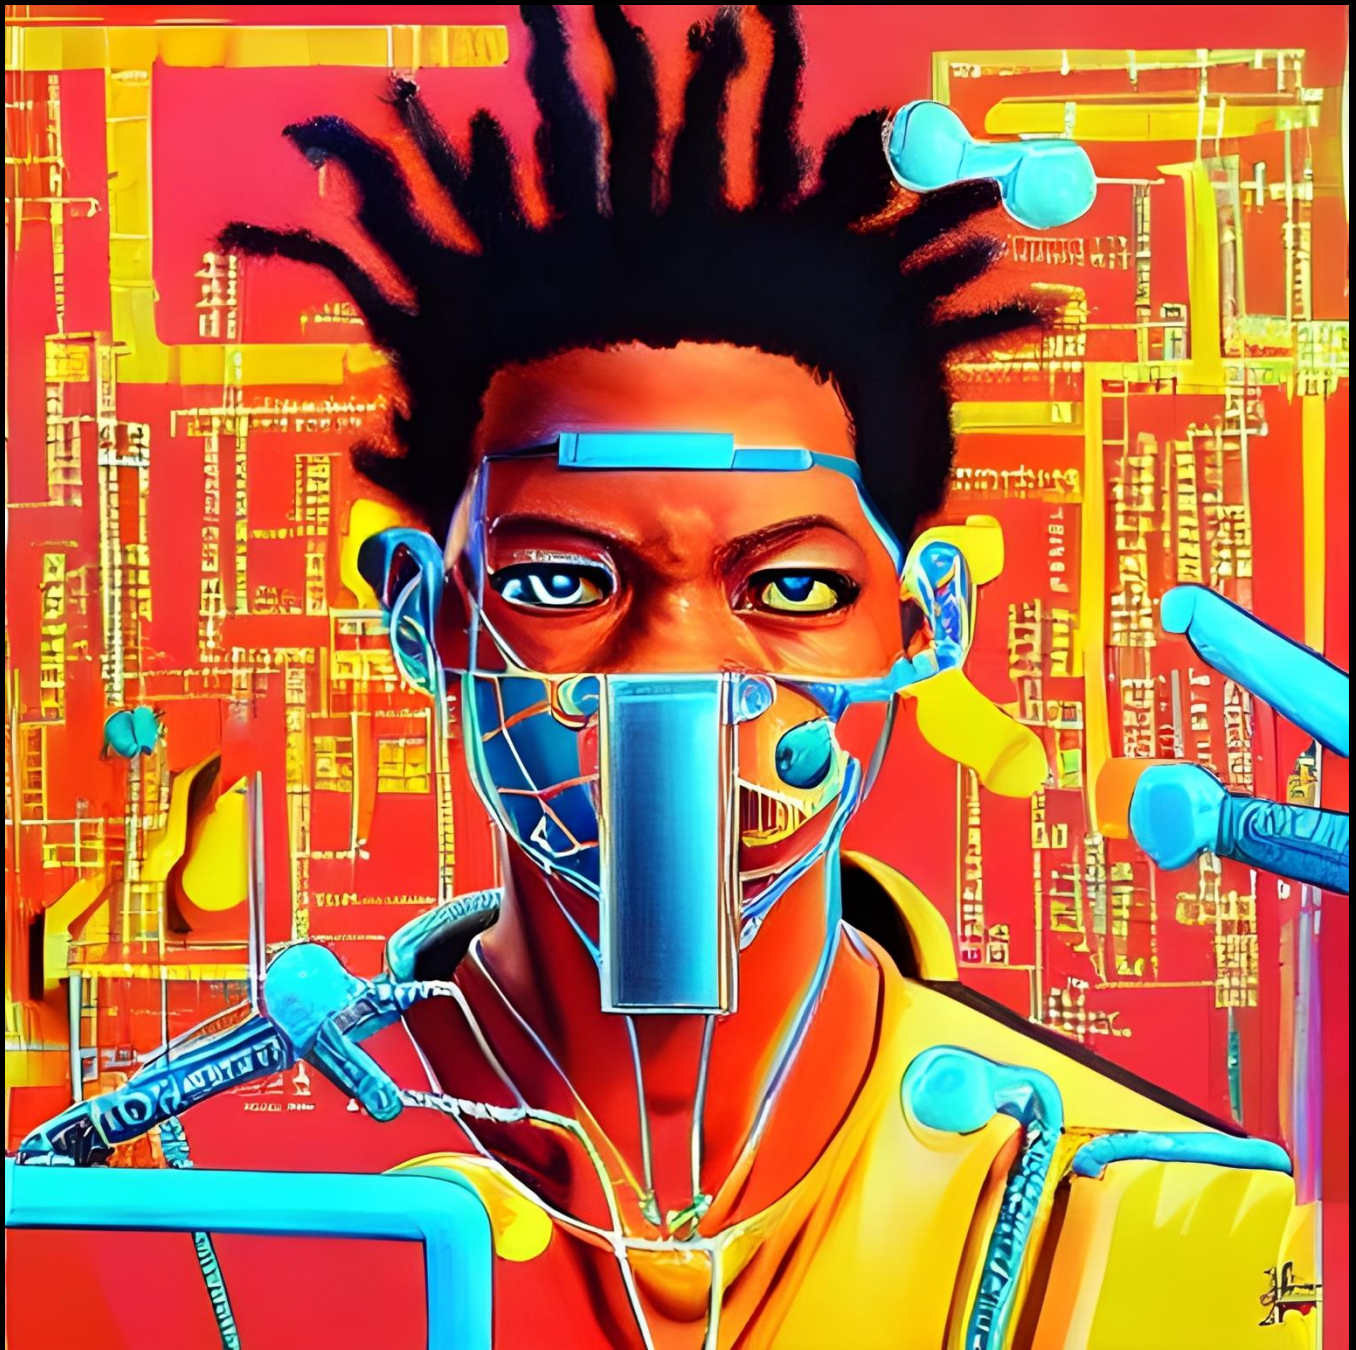

WE ARE AN INTERNATIONAL HUMANITARIAN ORGANISATION...

...who use our influence to spread discord

...who ensure that rights are violated

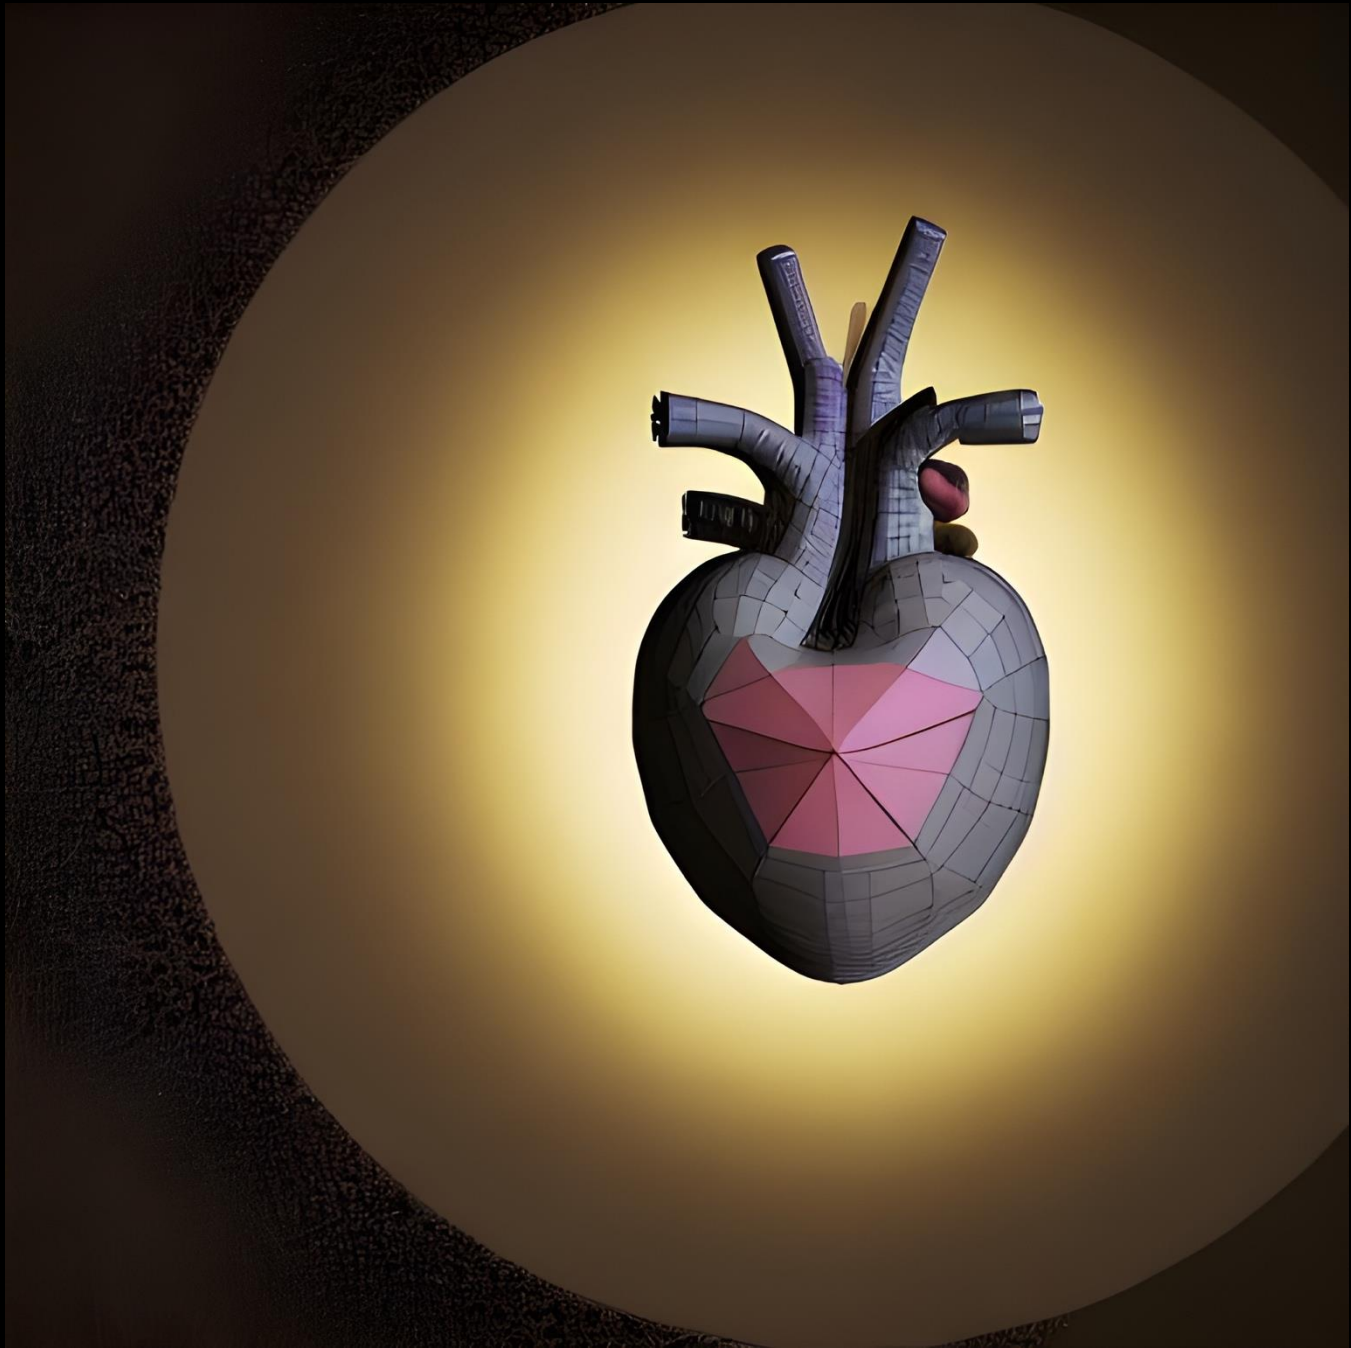

...who eat children.

WE ARE THE ACCEPTANCE...

...who accept none but ourselves.
